

About

Spokane Art School

Inspiring Creativity Since 1968

For over 50 years, Spokane Art School, a respected non-profit arts institution, has been dedicated to making Spokane a more creative and visually aware community. Thousands of children and adults have discovered their creative potential here, gaining the skills and confidence to understand and engage with the visual world.

What is ARTREACH?

ARTREACH connects you with professional visual artists to create customized art experiences for your classroom, community group, or workplace. Programs can be held at your facility or in our SAS venue, tailored to fit your group size and needs.

These hands-on sessions inspire creativity and provide a deeper understanding of visual communication, making each experience both educational and engaging. Let's bring art to life together with **ARTREACH!**

Homeschool Thursdays
